

Hello Douglas County Employees:

Here we are again with a contest for you to win a prize.....

The 2013 Corporate Cup Run/Walk is just around the corner and YES Healthy Directions Wellness Committee is sponsoring another CCR T-Shirt Design Contest for all the artists and non-artists who wish to submit a design to possibly be the winner of a \$50 Visa gift card, enrollment fee paid for the run, the designed t-shirt and you will be featured in our next wellness newsletter.

You create your design and pick the color of the t-shirt - Let's have some bright colors this year to stand out and represent Douglas County Healthy Directions Team in high fashion.

Attached find the flyer with the details and t-shirt template (front & back) you will need to use to submit your design. If you wish to submit your design to the American Lung Association contest as well contact myself or Connie Lehman and we can send you the ALA logo needed to submit for consideration.

Here are some of our previous contest winners - you too could be the 2013 winner - so start working on your creative mind and send your design by August 5th deadline.
